PROPOSED METHODIST CHURCH FOR TORRANCE

Proposed new Methodist Episcopal Church for Torrance. It was designed by Rollin S. Tuttle

to start the building within the next thirty days. One year ago the Rev. Gordon A. Riegler, a student at the University of Southern California, stepped off the street car in Torrance to take up the task of starting a Methodist Episcopal Church. Today he is heading a campaign to raise funds for a \$60,000 edifice. Approximately \$15,000 of that sum has been raised up to date and Mr. Riegler declared yesterday that preparations were being made

to start the building within the next thirty days. Appeals for funds have been sent out to every Methodist Episcopal church in the United States and during the past few weeks checks have come in for amounts varying from \$1 to \$100 from virtually every section of the country. At the present time services are being held in the American Legion hall. Despite this handicap of not having its own home, the Torrance

Methodist Episcopal church has built up a large membership in a year's time. The new building will be of a mission design and will provide space for a community kitchen and dining room, shower baths, swimming pool and gymnasium, in addition to the auditorium. "We aim to make our church a community center," said Mr. Riegler, "where all will feel free to come for worship, as well as for recreation."

TODAY'S REFLECTIONS

"The Life of the Kaiser" is selling in Berlin for 7c a copy. Even at that it's not what you might call a bargain.

Don't forget to do your Christmas mailing early—so you can get an answer to each package you mail out.

When you see a man going along with his nose turned up, don't think he is haughty. Maybe someone is cooking cabbage.

One pretty good way to relieve traffic congestion would be to sell automobiles for cash only.

Lots of fellows save up something for a rainy day, and then give it all to a bootlegger for a wet night.

Sometimes it's so hard for a father to give up his daughter in marriage that he almost gives up trying.

Nothing makes a defeated candidate madder than to have to return to work when the election is over.

Villa, retired Mexican bandit, is going to start a bank. Maybe he thinks this is a more gentlemanly way of getting hold of the dough.

This region may have its climatic drawbacks, but we can go to bed at night feeling that an earthquake isn't going to shift the scenery before morning.

The Christmas Shopper

It isn't hard to remember the time when the average family considered mother's hair brush very useful in bringing up the children in the way they should go.

West vs. East  
At Pasadena On  
New Year's Day

Sale of seats for the Tournament of Roses "East and West" football game of January 1, started on December 13, having been prefaced by the sale to permanent seatholders under their seat contract. Each holder of a permanent seat in the new Tournament of Roses stadium—now called the Rose Bowl—was entitled to purchase as many additional seats as the holder held of permanent seats and practically all permanent seatholders availed themselves of this opportunity.

There are now some 55,000 seats in the Rose Bowl, which is about 15,000 more seats than the old grandstands at Tournament Park would ever accommodate. This makes the Bowl one of the largest in the country, though its full seating capacity is not yet reached by a good many thousand, as at least 20,000 more seats could be constructed if desired.

Prices for the New Year's Day football game this time are \$1.65, \$2.75, and \$5.50, with a few box seats for a little higher. There are about 10,000 of the \$1.65 seats, the price being \$1.50 plus war tax. There are 20,000 of the \$2.75 seats, that price being \$2.50 for the seat plus war tax.

The seat sale is conducted by the Tournament of Roses in the Pasadena chamber of commerce headquarters where mail orders will be cared for.

The contesting teams this time are those of Penn State and the University of Southern California, and experts are agreed that the "East and West" game this time should be one of the closest in the long history of this high-grade classic of amateur athletics.

RED PEPPER FOR  
RHEUMATIC PAIN

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.
